Coroner's Office Personnel

Riverside County EMS personnel were on scene and determined the death of this person. After contact with

Name of coroner contact

of your office, EMS personnel were advised that you would be retrieving the body for further evaluation.

Electronic charting precludes leaving a copy of the on-scene assessment and treatments with the body. However, we will be faxing a copy of the Patient Care Report (PCR) to your office within the next few hours.

Should you not receive it or if you have questions concerning the PCR, please contact:

Ambulance/ Fire Dept: _____

Phone #: _____
